

Reimagining Business Together

UUA General Assembly – June 22-26, 2022
Multiplatform | Portland, OR

uua.org

General Assembly is the annual **business meeting** of the Unitarian Universalist Association.

Delegates from member congregations **elect** leaders and **vote** on resolutions, bylaw changes, statements, and elections.

Rules for the business and voting are set by the UUA Bylaws, the UUA Board of Trustees, and the Rules of Procedure.

At GA 2022, we are changing business as usual

**Inclusive and
accessible for
online and onsite
delegates; focus
on issues, not
process**

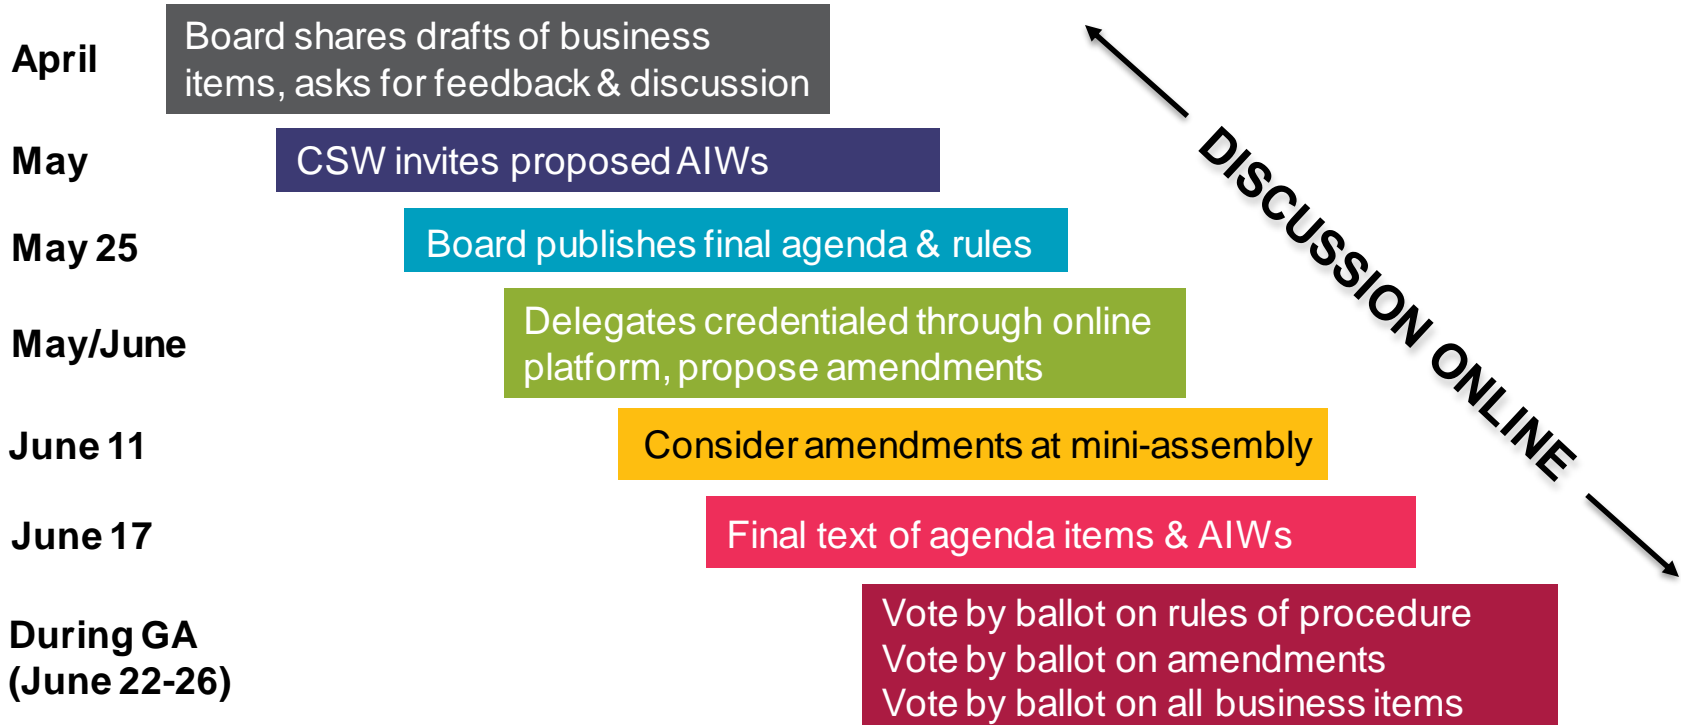

Imagine...

- Plenty of time to discuss business in advance of GA with your congregation
- Plenty of time to share your discussions in advance of GA
- A mini-assembly at least 10 days in advance of voting on possible amendments
- Easy, accessible voting that happens over hours, not seconds
- Discussion and votes on issues, not debates about procedure
- An equitable approach to for both online and on-site delegates to participate

How business will work multiplatform

How is a new way to business established?

- GA 2021 changed UUA Bylaws to allow Commission on Social Witness to determine when Actions of Immediate Witness (AIWs) must be submitted
- Board adopted new UUA Bylaw rules
 - Rule 4.18.5 Amendments to Business Items on the Final Agenda
 - Rule 4.18.6 Schedule and Ballot Voting on Agenda Items
 - Rule 4.16.2 Responsive Resolutions
- Revised Rules of Procedure are proposed by the Board and must be adopted by delegates the first day of GA
- During GA, discussion is led by Trustees on the Moderation Team (ModSquad)

Voting & Discussion

General Session will have time to discuss every business item, with voting by ballot the same day

- Equitable access to onsite and online voting through delegate platform (*vote on your device, or terminals available near General Session hall*)
- One ballot per day, ballots open for a few hours
- Pro/Con speaking similar for onsite & online delegates
- No confusing procedure (e.g. “call the previous question”), keeping time for group discussion
- Slows down voting process to be accessible, gives time for consideration and conversation
- Builds on past ballot process for elections and AIWs

Responsive Resolutions

Rule 4.16.2 Responsive Resolutions

Responsive resolutions are brief, advisory statements that express the sentiment of the delegates. They must be in response to a substantive portion of a report by an officer or committee reporting to a regular General Assembly, per Section 4.16. Responsive resolutions are not binding and do not set policy for the Association. They may not act as a substitute for other types of business items, such as business resolutions, budget motions, study/action issues, bylaw amendments, or actions of immediate witness. The Moderator will determine whether a proposed responsive resolution may be added to the final agenda under this rule.

Any delegate can submit a responsive resolution for affirmation during GA in a format set by the Board; they cannot be amended
